

# Pack 802 Family Camping Calvert Cliffs State Park

## 28-30 August 2020

Pack 802 invites you to Calvert Cliffs State Park youth group campsite. This state park borders the Chesapeake Bay and is a prime location for fossil hunting. The campsite is a private area located adjacent to the state park with access to a private beach. Activity schedule is flexible to encourage small groups and social distancing. Primary activities include fossil hunting, slack lining, and scout meal preparation. Attendees will prepare several meals using multiple individual cooking methods. Scouts and their families may optionally visit the main park on their own with no entrance fee. Scout T-shirt/activity uniform recommended. **Safety Notice.** Masks are mandatory when social distancing is not possible. Due to risk of landslides, the areas above and below cliffs are off limits to all individuals. Due to high concentration of Vibrio bacteria in water, scouts are discouraged from swimming. [Vibrio Info](#)

**Main Park Entrance: 10540 HG Truman Road, Lusby, Maryland, 20657**
