DEN MEETINGS (SEPTEMBER – MAY)

As of 1 June 2018, Pack 802 is open to young boys and girls age K-5. We are a family friendly pack and all family members are welcome to participate in our events.

Lion Dens = Kindergartners

Tiger Dens = First Graders

Wolf Dens = Second Graders

Bear Dens = Third Graders

Junior Webelos Dens = Fourth Graders

Senior Webelos Dens = Fifth Graders

When school is in session, dens meet weekly at Grove Presbyterian Church on Tuesday evenings from 6:30-8:00PM. The Pack plans several events over the summer.

FUNDRAISING (FALL/AS NEEDED)

Quality programs, outings, and supplies cost money and we strive to keep our out-of-pocket costs as low as possible. The Pack relies primarily on a Popcorn Sale Fundraiser in the Fall but also plans additional fundraisers such as restaurant take-overs, camp cards, and others as needed.

Visit Pack802md.com/pages/fundraising for details!

ACTIVITIES

(YEAR ROUND)

Pack 802 plans at least one Pack-wide activity each month in addition to regular Den meetings. In a typical year, the Pack participates in 4-6 overnight camping events. Other events may include hikes, geocaching, indoor rock climbing, parades, council/district events, service projects, STEM activities and much more! Flip this page over to see our current schedule. Families are welcome to choose the events that fit their schedule, budget, and interests. Visit Pack802md.com/events for specific details and updates!

ADVANCEMENT

(YEAR ROUND)

Pack 802's program focuses heavily on advancement and recognition – these are key components of a scout's positive Scouting experience. Beyond the basic rank advancement and elective requirements, a wealth of other sports, academic, STEM, and just plain fun opportunities exist. Other unique awards include heritage trail patches, STEM Nova awards the summertime pack award, and super cub summer passport.

Visit Pack802md.com/category/advancement for details!
