

Pack 802 Webelos C&O Canal Bike-Packing

6-8 March 2020

Pack 802 Webelos scouts and family members will complete a supported cycling trip along a 27-mile portion of the Chesapeake and Ohio (C&O) Canal between Antietam Creek and the Monocacy Aqueduct. A support vehicle will transport gear and supplies to the midpoint in Brunswick and the endpoint in Monocacy. The route is divided into two segments providing scouts the option of cycling the entire route or a single segment. Scouts will perform meal planning for this trip with minimalist gear requirements leveraging non-perishable and easy to cook/rehydrate foods.
