

# Pack 802 Halloween-o-Ree Elk Neck State Park

## 30 October – 1 November 2020

Pack 802 invites you experience Halloween-o-Ree at Elk Neck State Park youth group campsite. We will have a weekend full of spooky games and activities including a full moon hike, trebuchet pumpkin chunking, haunted hallows orienteering course, graveyard minefield, eye-ball slime, costume contest, trunk-or-treating, Halloween dessert bake-off, and an afternoon campfire program. Scouts are encouraged to share a song, skit, joke, or spooky story at our campfire. Families are also invited (optional) to bring or make on site a spooky/fall dessert to share. The Pack will provide candy for tent-or-treating but families are welcome to bring additional treats to share if desired. We will establish a duty roster to limit number of people involved in meal preparation. Meals will be plated by cook staff before serving to reduce contact/exposure. Everyone must bring personal water bottle. Tents may be shared only by people from the same household. Youth and adults that want to participate in the costume contest and tent-or-treating should wear Halloween costumes, else activity uniform (T-shirt) is recommended. **Safety Notice.** Masks are mandatory when social distancing is not possible.
