

Back-to-the-Pack Campout Steppingstone Farm Museum

802
Aberdeen, MD

25-26 September 2020

Pack 802 welcomes all new and returning scouts to join us at Steppingstone Farm Museum for an evening of fun to kick-off the fall 2020 program year. Activities will include stomp rockets, an outdoor movie, and a campfire. Scouts may camp overnight on museum grounds and participate in a service project on Saturday morning followed by an optional group hike in Susquehanna State park. We will be weeding, spreading mulch, and washing the tractors. The pack will provide hot dogs and a light snack on Friday evening and a variety of grab-and-go breakfast items on Saturday. There is no cost to participate in this event. **Uniform:** Scouts are encouraged to wear activity uniform Friday (pack T-shirt) and clothes that can get wet/dirty on Saturday for our service project. Families may unload vehicles near pavilion but must return vehicles to parking lot after unloading. Park rangers will be closing the main museum gate around sunset so please message Jon if you will be arriving late. Participants must agree to and sign COVID mitigation plan upon arrival.
